Reply / Clarification to bidder's queries

Sr. No	Bidders Query / Clarification	MNGL's Reply / Clarification
1	<p>The tender is for limited domestic bidders. Bidder is representing European company that qualifies all the BEC criteria. We request you to allow bidder to utilise technical BEC criteria by India authorised dealer / distributor / Joint Ventures/ Subsidiaries and service providers. Please confirm, so as to enable bidder to participate in the tender.</p>	<p>Tender conditions prevails</p>
2	<p>Item No 8 of SOR – “Cloud Server hiring Cost including bandwidth allocation and data storage as per tender specification</p> <p>Kindly clarify the scope in item. As numbers 9,10,11,12 & 13 covers cloud server maintenance charges during 5 years. -</p>	<p>Already defined in the tender document. The bidder has to provide cloud server as per the tender specifications. It is to be noted that the cloud service must be up to the mark so as to hoist the web application along with the continuous influx of data and have an uptime as specified in the tender. Redundancy, efficiency, uptime are the most important factors to be taken into consideration while designing the server space.</p> <p>The cloud server also has to hoist a virtual FTP server as an interface between Web Application and SAP server.</p> <p>All of the above factors must be taken into consideration while bidding for cloud service maintenance.</p> <p>Further bidder must provide the following certifications:</p> <p>ISO/IEC 27001 or ISO/IEC 20000-1 or ISO 9001 or ISO 22301 or CSA STAR or ISO/IEC TR 20000-9 or ISO 27017 or ISO 27018 and mandatory certifications include PCI DSS Compliance, Ministry of Electronics and Information Technology certification from Govt. of India, ANSI/TIA-942:2017 Rated 3 certifications. MNGL officials will visit the facility after contract awarding for verification of the facility and certificates.</p>
